AS THE YEARS TURN TO GOLD

The years have turned golden for our alma mater,
Perched half way up the slope on Harvard Street.
For fifty years she had held herself erect and tall,
Not only during the good days of sunshine and glory,
But through dark days of depression, war, and storm.

Like the tiny grains of fine sand in the hourglass,
Slipping slowly and quietly, unnoticed but surely,
So the fifty years have come and gone all too fast.
But these fifty years do not mark the end for SBHS
Looking ahead to fifty more years of fruitful toil
Blessed by God and trusting in His Fatherly Care.

FRESHMAN DAYS

Come with us now and we will walk hand in hand
Down the lanes of memory recalling days of yore,
And see again the old familiar faces and places
That were so dear to us when we were the FROSH.

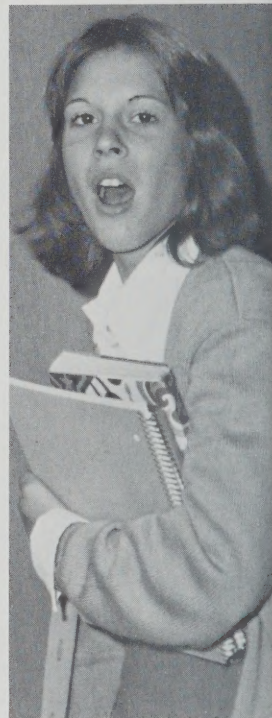

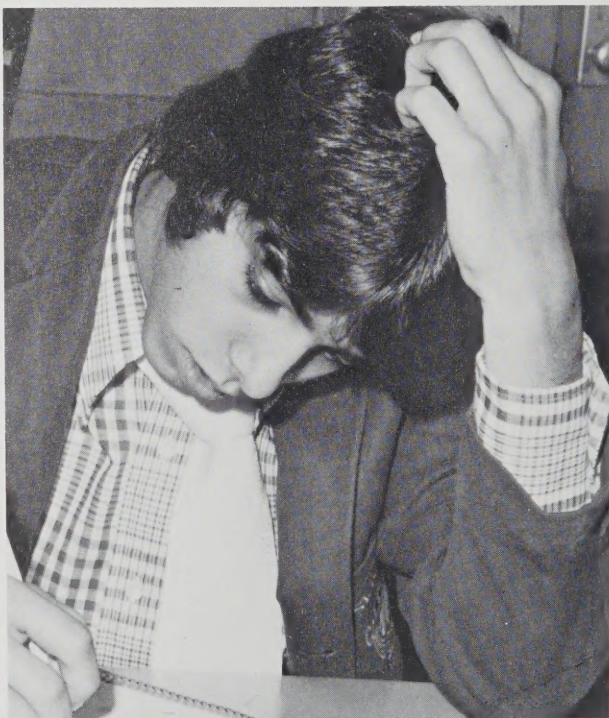

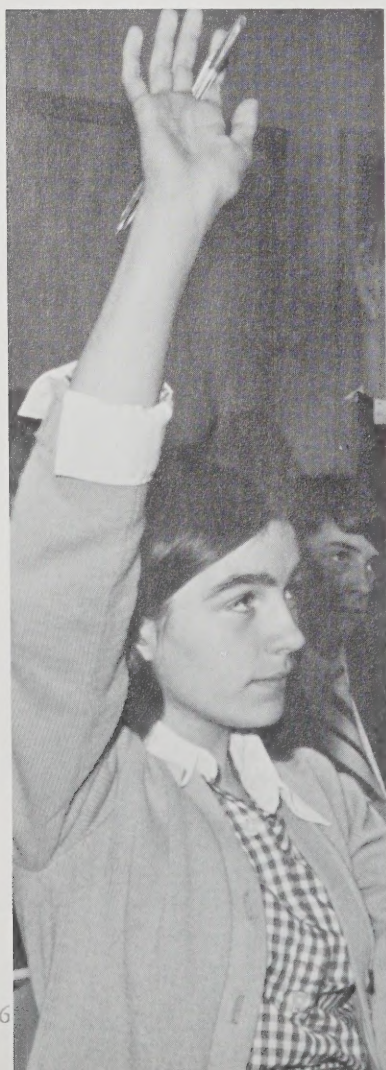

Varied may have been our reasons for becoming a BERNIE
And choosing St. Bernard's to other schools in the area.
For most of us who had looked forward to the opening day,
No doubts entered our minds that it was here we belonged,
So we merrily pitched our tents for we had come to stay.
Others may have been uncertain about the decision made
Wanting to keep with old friends in their chosen school.
But regardless of our feelings and fears, here we were
A class in the making needing the support of one and all.

In the freshman play, GOOD-BYE TO THE CLOWN, Linda Hagerman was the little girl, who in imagination has a fun-loving clown, Michael Macchione, for a playmate. The part of the mother was played by Marcy Foley; the uncle, Thomas Creed; the school principal, Michael Gaudet; and the teacher, Bridget Femino.

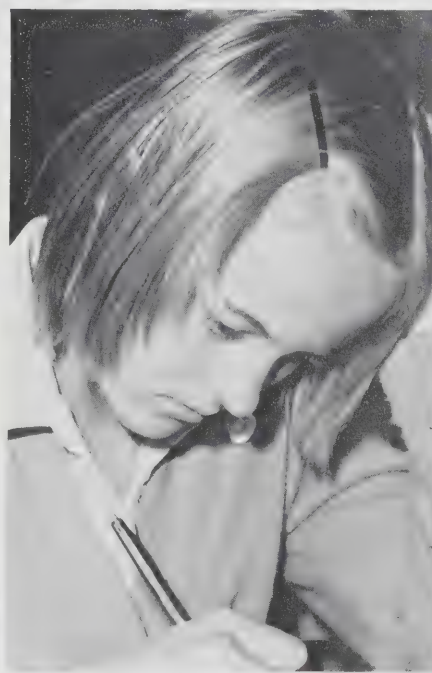

Miss Martha Campbell directed the play. The stage assistants were Stephanie Bilotta, Deborah Gariepy, Kathleen O'Malley, and Mary Beth Rogers.

... When you feel yourself tossed about on the stormy waters of life, and exposed to all its violence, turn not your eyes away from this bright Star! When temptation sweeps down upon you and your ship is drifting to the rocks, look up at the Star—cry out to MARY!

—St. Bernard

When you are discouraged because you are in a valley, remember that every valley reaches up to the hills. If you wish to grow, spend your time in the company of those who see above the clouds. When we fill our hours with regrets over the failures of yesterday, and with the worries of tomorrow, we have no today in which to be thankful.

—Henry Ward Beecher

What a man *is* contributes much more to his life than what he *has*. What a man is in himself, what accompanies him when he is alone, what no one can give him or take away, is obviously more essential to him than everything he has in the way of possessions, or even what he may be in the eyes of the world.

—Arthur Schopenhauer

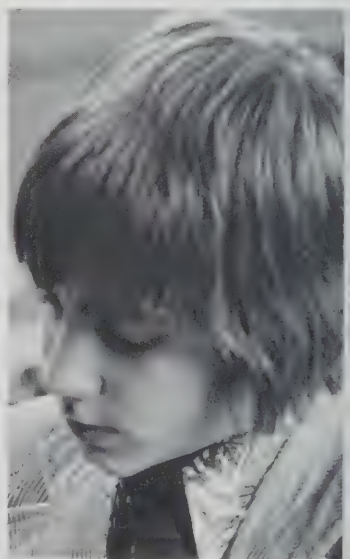

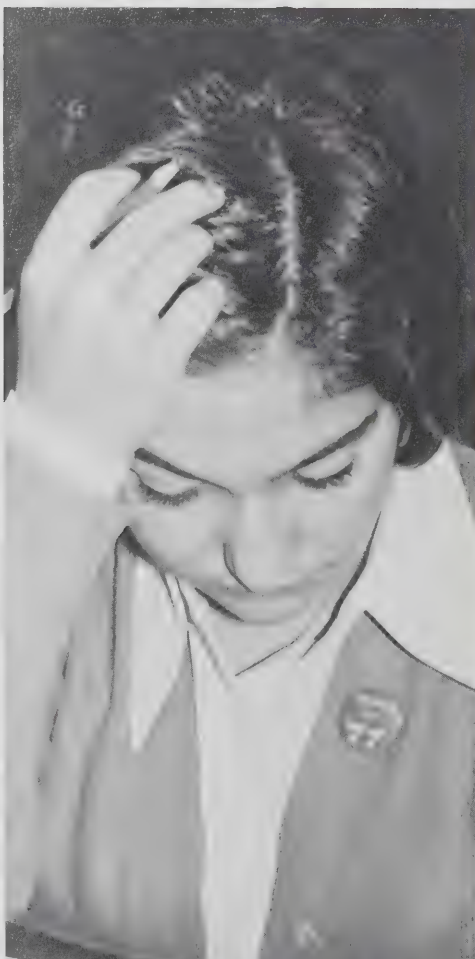

That the class of '77 had school spirit was evidenced when early in the school year, 74 freshmen took part in the LANGUAGE FAIR of '74. In the all-school musical, FIORELLO, of March 1-3, Doreen Cote and Thomas Creed played an important part. Other freshmen participating were Nina Baldarelli, Bridget Femino, Marcy Foley, Robyn LaBerge, Katherine Morin, Kathleen O'Malley, Brenda Robideau, Angela Salamone, John Shannon, William Wheeler.

SOPHOMORE DAYS

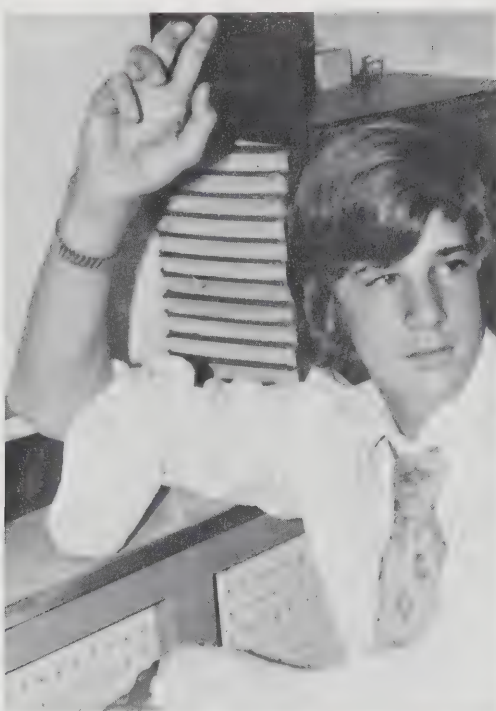

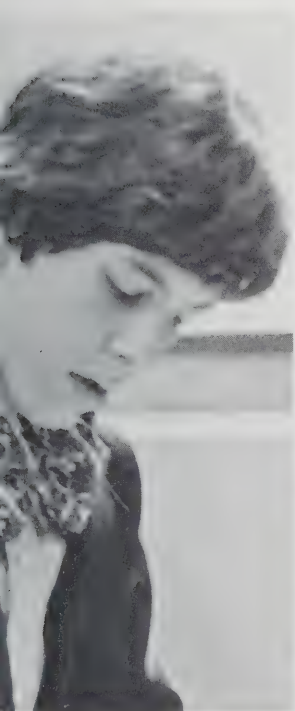

True to our name "sophomore" we must confess that
Now knowing all the ropes, we did feel very wise,
And far superior and above our new frosh arrivals.
But we will never admit that we were "Sophomoric"—
Immature and shallow, bombastic and superficial.

The right of every human being to satisfy his hunger is based on the fact that all earthly goods are intended first and foremost for the use of mankind as a whole and the maintenance of all men, and only secondarily for private appropriation by individuals . . . Christ bases his Judgment of the life of each human being precisely on whether he has respected this right of his fellowman.

—Pope Paul, 1975

In the LANGUAGE FAIR of '74, Andre Jacques played the trumpet; Susan Mohrmann, the violin; Annette Bergeron and Alex Cruz, the guitar. Robyn LaBerge was a dance director and Noreen Cleary, and Doreen Cote, soloists.

Sophs of '77 danced in the *Parasol Polka*, *Rubber Duckie*, *Spanish Singers*, *Rock Around Clock*, *Sting*, *Polka Italiano*, *Yugoslavian Dance*, and *Aquarius*.

May the light shine out of the two eyes of you,
Like a candle set in two windows of a house,
Bidding the wanderer to come in out of the storm.
—Irish blessing

Passing over the half-way mark and still climbing upward to our goal,
Ever enjoying the thrill of now being in the upperclassman bracket,
We Juniors, now proudly wearing our class rings, did feel more mature
As we tackled as a class our JSR with its many involvements and fears.

When an American says he loves his country, he means not only that he loves the New England hills, the prairies glistening in the sun or the wide, rising plains, the mountains and the seas. He means that he loves an inner air, an inner light in which freedom lives and in which a man can draw the breath of self respect.

—Adlai Stevenson

Human felicity is produced not so much by great pieces of good fortune that seldom happen, as by little advantages that occur every day . . .

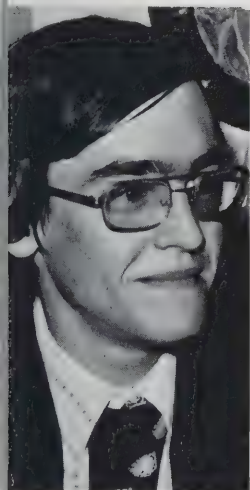

—Benjamin Franklin

I took a day to search for God,
And found Him not. But as I trod
By rocky ledge, through woods untamed,
Just where one scarlet lily flamed,
I saw His footprint in the sod.

—Bliss Carman

If you go through life utterly immersed in yourself, thinking only of your own convenience and comfort in everything, if you never learn to give—your time, your substance, your energy—you will never grow up spiritually or psychologically.

We grow through love, by receiving it from others and by learning to give it in our turn.

In the all-school operetta of '76, thirty-five Juniors of '77 played the role of executives and secretaries employed by the World Wide Wicket Company.

On the evening of June 1, the Juniors presented "These Were The Best Times" for the graduating seniors. Three massive volumes disclosed "All You Wanted To Know About the Class of '76." Before the entertainment, the seniors and faculty enjoyed a roast tenderloin dinner with all the fixings served by Mr. Albert Roy. The unique and original auditorium decorations harmonized with the theme of the evening.

SENIOR DAYS

Now that we were the seniors
We had the most happy feeling
Of being on top of the world,
Reaching for that pot of gold
Hidden at the rainbow's end.

In the beginning of the contest with Great Britain, when we were sensible of danger, we had daily prayer in this room. Our prayers, Sir, . . . were graciously answered . . . And have we now forgotten that powerful Friend? Or do we imagine we no longer need His assistance?

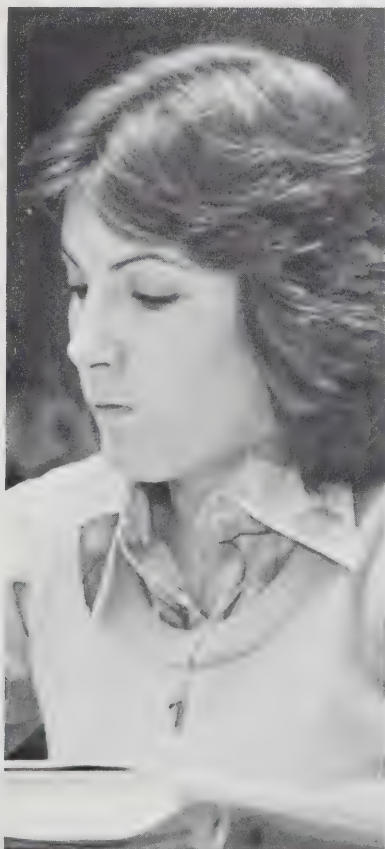

—Benjamin Franklin, 1787

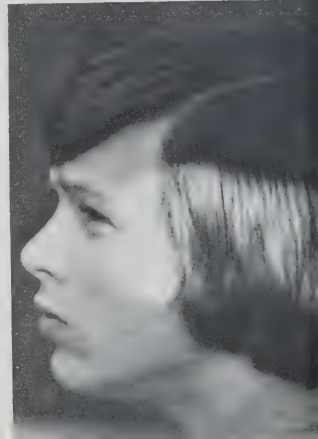

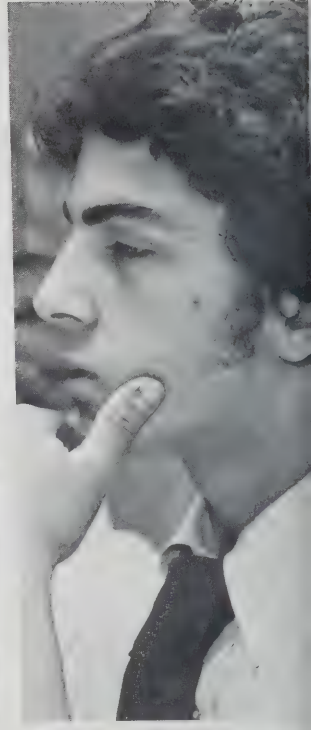

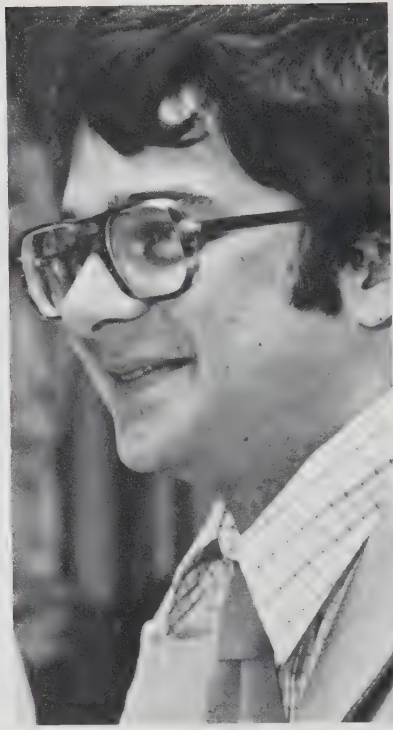

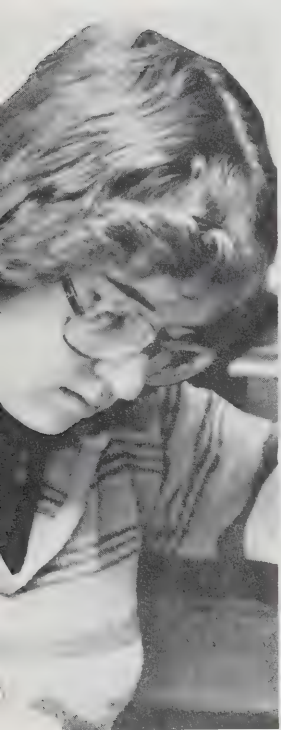

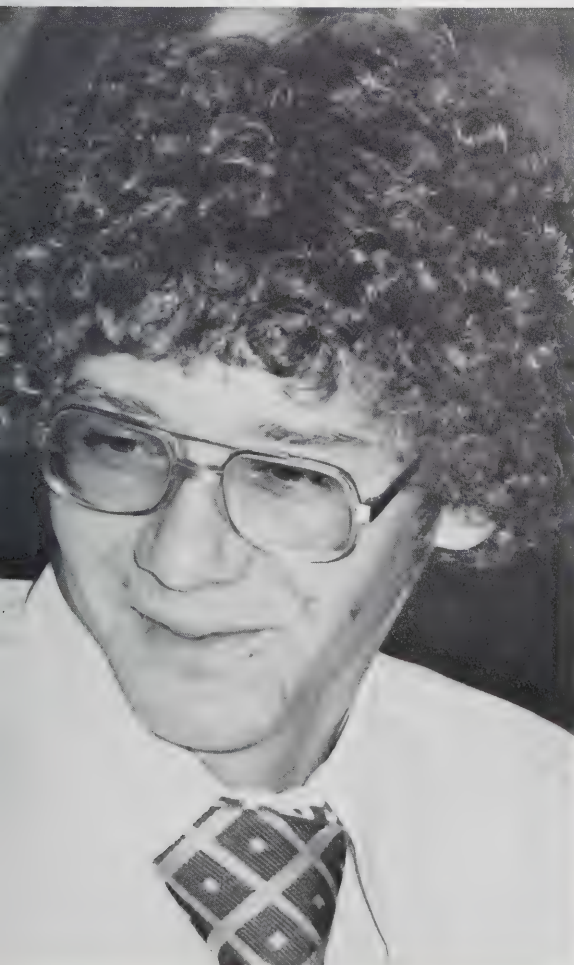

Senior girls in Home Ec in addition to learning that haste makes waste, soon know also that slipshod sewing doesn't go over with Sister Mary Consilia.

God grant us the serenity to accept the things we cannot change, courage to change the things we can, and wisdom to know the difference.

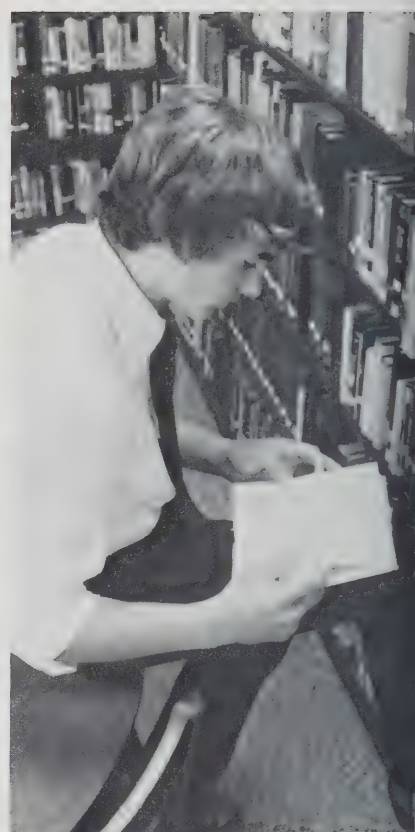

This is not the end. It is not even the beginning of the end. It is rather the end of the beginning.

—Winston Churchill

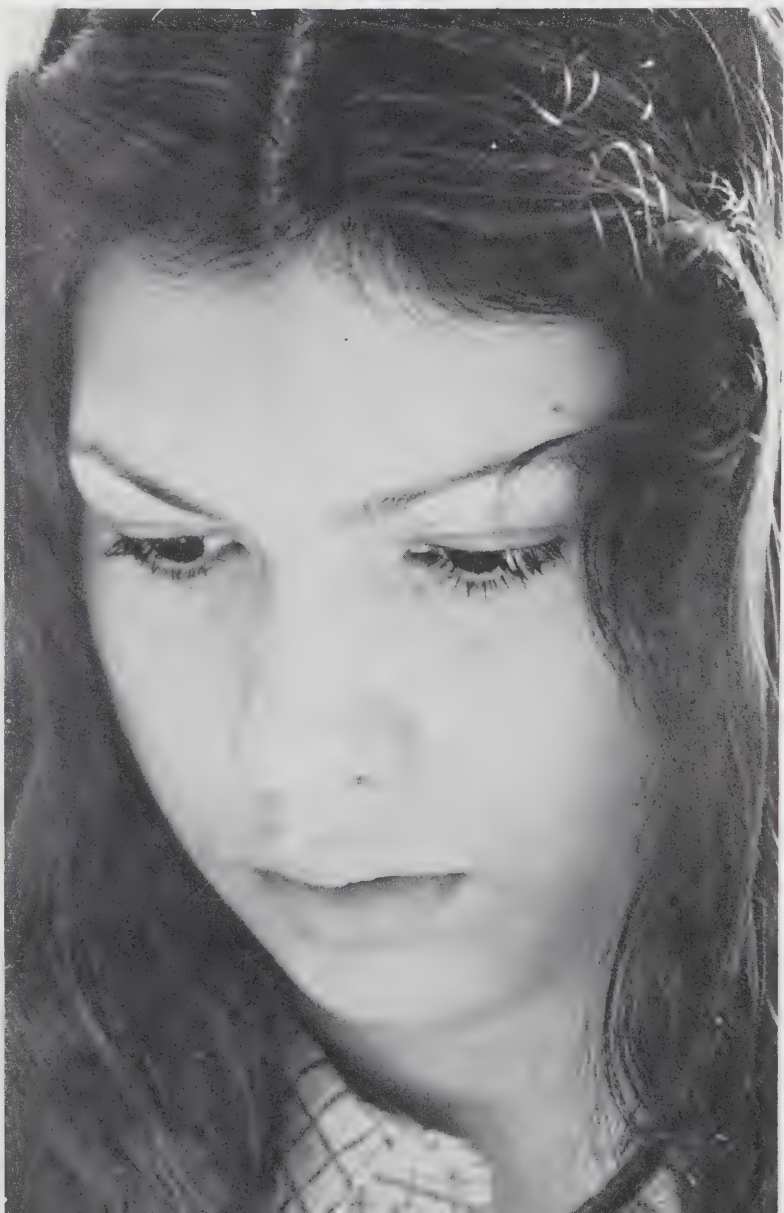

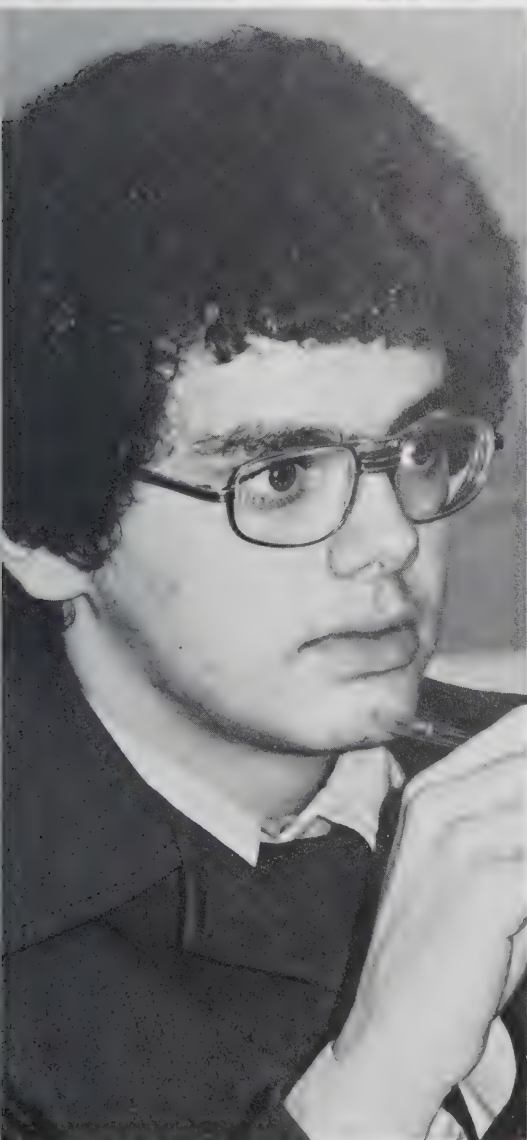

Seniors still look forward to lunch period as one of the bright spots of the day. Some may look glum now and then when the menu does not suit their fancy, but this is rare, and smiling, happy faces are seen.

This cheerful, cafeteria glow is due to the dedicated efforts of Mrs. Rodier and her staff—the Mmes. Andrews, Corbett, Craigen, Hagerman, Henault, LeBlanc, Perla.

Mr. Delphia and Mr. Ruel also help to keep things running smoothly in the cafeteria.

The ancient Israelites had one exodus from Egypt but St. Bernard's High had two in one morning. The first happened when the fire alarm sounded and we had to be evacuated in record-breaking time.

A DOUBLE EXODUS

The second occurred about an hour later when over the intercom came the command that all must leave the building at once. No reason was given but we knew it must be a bomb scare. So we hurried outside again grateful that the day was warm and sunny.

A visit to the Bowl on this Monday afternoon in late September found the track and football teams having a practice period of exercises and play techniques.

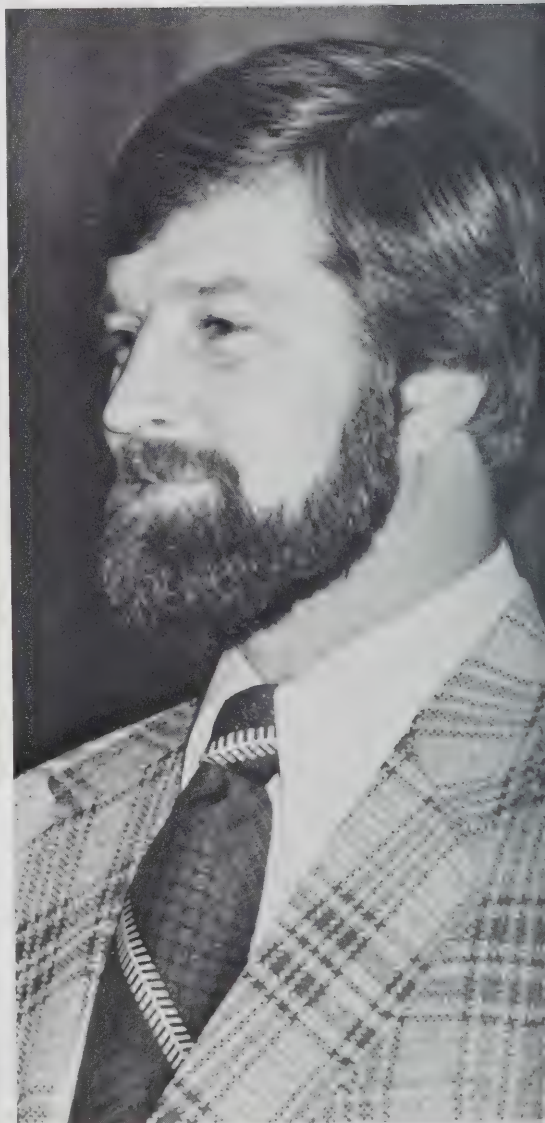

Paul Ready, ever faithful, competent, and alert was on hand to give first-aid treatment to an injured gridster—Brian Robillard.

The HOMECOMING weekend of October 22 and 23 hosted alumni of 50 years back.

The Queen was Mary Belli and in her court were Lisa LeBlanc, Julie Donelle, Linda Halstead, and Theresa Moriarty.

The parade to the Bowl was led by the Kingsmen Marching Band. Then came the cheerleaders, the class floats, and a motorcade. The Sophomore float won the Plaque.

The *Bernardians* under head coach, Robert Day, opened their 1976 football season with an 8-6 victory over Lunenburg. Dave Guillette returned the opening kick 35 yards. Before the end of the first half, John Donnelly went for the pass thrown by Dave Whitney, placing six on the board. The final few minutes was a struggle but Donnelly's reception brought victory.

Despite the efforts of the *Bernies*, the *Hudson Hawks* managed to break loose in the final quarter and win a 6-0 victory over the *Saints*.

In the first half of the game with Worcester South, Whitney threw a pass to Shaver that was good for six. Then Guillette added the conversion points and an 8-0 victory for St. Bernard's.

The *Saints* score came early in the rain-swept contest with the *Gaels* of Clinton when captain Donnelly responded with an early six-point run. The defenses of both teams battled to the end, giving the *Bernies* a 6-0 win.

Athol never quit even after Donnelly rumbled 18 yards for a touchdown and 21-8 advantage. The game ended 28-21 in Athol's favor.

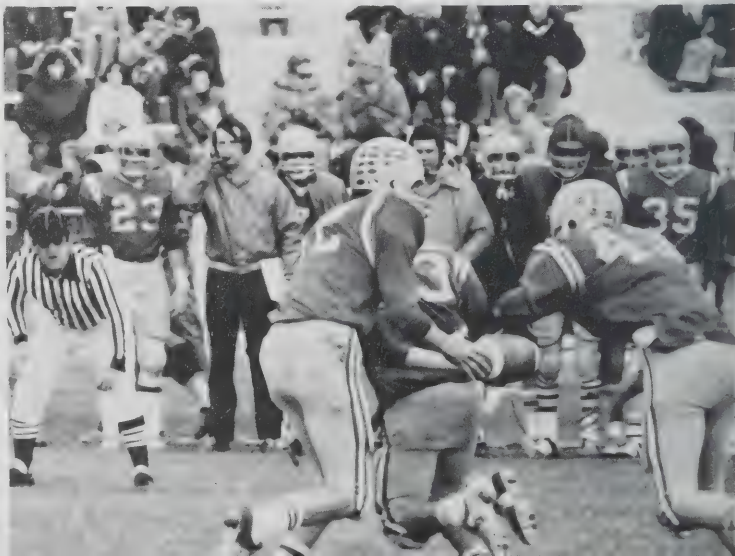

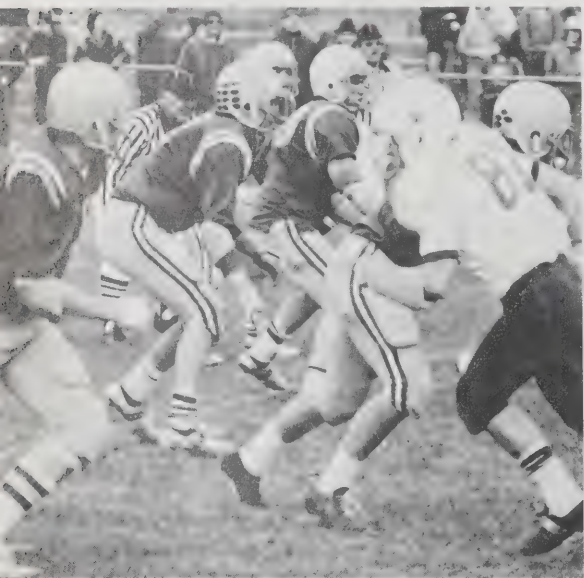

Captain Donnelly got the *Saints* started on a 65-pay dirt

march late in the first period in the *Homecoming* game with St. Peter's-Marian. Later he took an option pitch from Whitney and with good blocking from Zarrella slammed over St. Peter's defenders at the goal line giving *SBHS* a 6-0 lead. In the second period, Donnelly scored for the extra point and a 14-0 edge. The final score was 14-6, St. Bernard's first victory over St. Peter's in seven years.

Cardinal Spellman scored the only touchdown early in the game and held on for the win, 7-0, against the *Harvard Streeters*.

SBHS squad faced Marian of Framingham getting on the scoreboard in the second quarter when Whitney fired a 40-yard scoring strike to Haverty. Mazzaferro booted the extra point making it 7-0. On their next possession, Whitney connected with Guillette for a 39-yard pass to pay dirt. In the second half, the *Saints* scored twice more on a Donnelly run and a Whitney to Petella pass for a 28-14 victory.

The *Bernardians* shocked previously unbeaten Bartlett, 6-0. Donnelly provided the margin of victory late in the first half. Winning its final game against Notre Dame, St. Bernard's now had a 7 and 3 record, the best since 1971.

St. Bernard's varsity basketball squad for 1976-77: Dropped a tough 54-50 decision to St. Mary's of Worcester. After leading throughout the entire contest, Wachusett canned a basket at the buzzer and a victory. A big height advantage and some hot shooting put Holy Name on top. Plastered Lunenburg in the tournament and out-distanced Leominster. Started off well but once St. John's got started, they couldn't be stopped. Ended the 1st quarter with a 15-12 lead but lost momentum as Notre Dame gained it. Lost to Gardner in a very

close game but won in the February 18 contest. With bleachers packed with fans, went down to Fitchburg High. With a tie score of 15-15 at the end of the 1st quarter, Leominster progressed and took on the game. Gained a grand victory over Athol with Grammel and Whitney high scoring with 21 points each. Closing its 22-game schedule, from December 10 through February 22, with two more games to go.

Coach Lindberg's icemen opened their 1976-77 hockey season with an impressive victory over Fitchburg at the Wallace Civic Center. Seniors returning to the squad were tri-captains—Mark Brousseau, John Donnelly, and Thomas Morrissey—Patrick Cronin, Robert DiTomasso, and Kevin McInerney.

The game with Nashoba was an upset for the *Bernies*, 5 to 3. Determined to redeem themselves in their next game, Leominster, the *Saints*, pumped home 11 goals and trounced the *Blue Devils*, 11 to 2, in spite of the fact that they had never beaten them in five seasons of play.

Continuing to keep their streak hot, the *Harvard Streeters* pummeled Gardner, 12-1. Mike Gaudet did a superb job letting no goals by him.

This victory was followed by a disappointing loss to Notre Dame, 6-5.

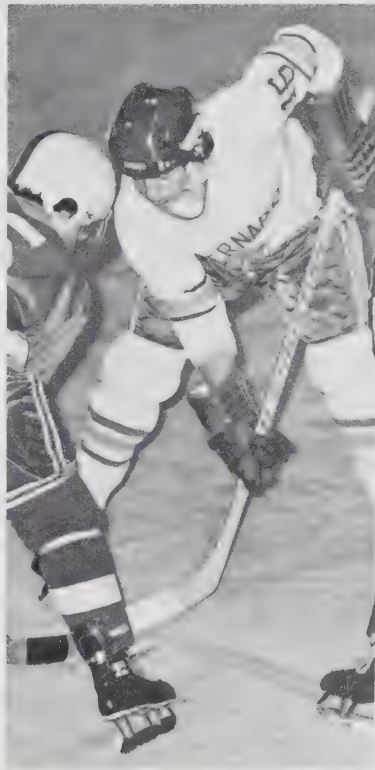

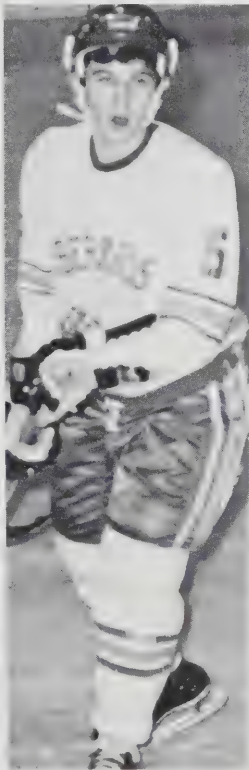

Undaunted, the *Saints* faced the Murdock pucksters, crunching them 13-4. Then came another setback when the *Blue Knights* of Lunenburg downed the *Bernies*, 6-0. The spirited Bernardians rebounded back again as they upended Hudson, 9-1. Tom Montesion lit the lamp five times to set a new SBHS record and Tom Morrissey drilled three more past Hudson as he walked away with a hat-trick.

The team suffered a great loss when co-defensemen were sidelined—Dan Smith with a dislocated shoulder and Joe Moriarty with a broken wrist.

Coach Lindberg and his pucksters are to be congratulated on their fine record of 11 wins—3 losses—and 1 tie; goals for, 114; goals against, 42; leading scorer, Tom Morrissey with 40 points.

Our best wishes for success go with them as they enter the District III championship.

ST BERNARD'S HIGH SCHOOL—completed in 1927
THE BERNARDIAN BOWL—dedicated in 1947

In paying tribute to our alma mater on her 50th anniversary, we also want to honor the memory of two great men of God who enter into her history. Both of them dreamed a dream and then had the faith and courage to face all the risks entailed in bringing that dream to fulfillment.

Back in the 1920's, Father James J. Donnelly, pastor of St. Bernard's, dreamed of a high school for the boys and girls of his parish. But already the parish was supporting two schools and educating about seven hundred pupils. How could they build and support another school when most of the parishioners were in the low-income bracket? But under the dynamic leadership of Father Donnelly and his self-sacrificing people, the dream became a reality in the completion of St. Bernard's High in 1927.

Over thirty years ago, Father Michael J. Curran also dreamed a dream of a great athletic field as he stood on the brow of a steep slope at the edge of St. Bernard's cemetery, looking down upon acres and acres of wasteland. In 1947, in spite of difficulties and frustrations, Father, too, saw his dream fulfilled in the completion and dedication of the *Bernardin Bowl*, one of the best layout athletic plants in the area, and a great construction achievement.

In constructing the *Bernardin Bowl* hundreds of trees were felled; hills removed and levelled; brook courses altered; tree stumps dynamited and brush destroyed; new roads, banks, and ramps constructed. To do all this, bulldozers, steam shovels, and trucks worked to capacity under the watchful eye of Father Curran, pastor of St. Bernard's.
